

Riverside Community College 90' x 100' (9,000 square feet)

Need: A “temporary” full service multipurpose, recreation Facility with office space to house the Athletic Department staff during construction and renovation of the main campus buildings.

Length of use: 16 months

Answer: **Vision Building Systems** provided an engineered, heated and cooled Interim facility, leasing the facility to Riverside Community College until construction is complete and the staff can occupy the newly renovated Athletic Department.
